

ACKNOWLEDGEMENTS

Young Historians, Living Histories Project seeks to engage underserved young people in Asian Pacific American communities to deepen their understanding of their own history and their community. During a one-week workshop, participants will learn about the Asian Pacific American experience by using curriculum based on the Smithsonian Asian Pacific American Center's exhibition *I Want the Wide American Earth: An Asian Pacific American Story*. Participants will also learn elements of community storytelling, conducting research and oral histories, and using technology to produce short videos that will be showcased on the Smithsonian Asian Pacific American Center's website.
